## DESCRIPTION OF PROPOSED WORKS

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water	- 1
to a point just above where the pipeline of the applicant takes out	
is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.  from Stetler Canyon and will be conveyed along with the water from	4
said Stetler Canyon to lands of applicant. Said land holds a	
vested right from Stetler Canyon but the water supply therefrom is insufficient, particularly during the summer months, and this	
application is made to augment said supply.	
5. Estimated cost of works \$1,000.00	
6. Estimated time required to construct works One year	- 1
